Body on the floor
Floating up in silence
Peace that passed me by
Surrounded...
Your face was glowing
Your gone
The saint said pass me by
Your gone
Angels crashing down
Falling all around me
Broken wings lay low
Surrounded...
I don't want to see this
I don't want to feel this way
Your face was glowing
Your gone
The saint said pass me by
Your gone
Angels crashing down
Falling all around me
Broken wings lay low
Surrounded...
I don't want to see this
I don't want to feel this way
((((music))))
They lifted fragile fingers
Your arms held up to him
They lifted fragile fingers
Your arms held up to him
((((music))))
