She said that she loved me,
never would go
OHO
OHONow I find I'm sitting here on my own
OHO
OHO

Was it something I've said or done
that makes her pack her bags up and run?
Could it be another she's found?
It's breaking up the happy home

Mister can you tell me where my love has gone?
She's a Japanese Girl
I woke up one morning and my love was gone
oh my Japanese Girl
oh I miss my Japanese Girl

People ask about her every day
OHO
OHO
Don't know what to tell them, what can I say?
OHO
OHO

If only she would write me or call
a word of explanation that's all
it would stop me climbing the wall
it's breaking up the happy home

Mister can you tell me where my love has gone?
She's a Japanese Girl
I woke up one morning and my love was gone
oh my Japanese Girl
oh I miss my Japanese Girl

If only she would write me or call
a word of explanation that's all
it would stop me climbing the wall
it's breaking up the happy home

Mister can you tell me where my love has gone?
She's a Japanese Girl
I woke up one morning and my love was gone
oh my Japanese Girl

oh I miss my Japanese Girl (4x)
