Tell me if you want it, if the price is right then I'm here
Come on over here and baby we can cut a deal
Billy I know that you want it
Jimmy I know that you want it
Tommy I know that you want it
Baby I know that you want it

Standing on a corner and I'm gonna give you what you
need
Tell me what you want 'cause baby I'm here to please
Billy I know that you want it
Jimmy I know that you want it
Tommy I know that you want it
Baby I know that you want it

[Much of this material has been described as an
illustrated, detailed course in perversion,
abnormal sex, crime and violence.
It is also a fact that no matter who buys this material,
75-90% of it ends up in the hands of our children.]

I don't want you for your love
You don't want to cook me dinner
50 bucks to kiss on the lips
25 an hour, suck my..

Billy I know that you want it
Jimmy I know that you want it
Tommy I know that you want it
Baby I know that you want it

Billy I know that you want it
Jimmy I know that you want it
Tommy I know that you want it
Baby I know that you want it

generation of our American children.

practically impossible for that person to adjust
to normal attitudes in regards to sex..]
