On a clear day i can see far ahead in front of me,  
The sky above imagines a god, but on another day  
i'm...

And when i fall the hurt won't show up on me i only  
hope.

And if i follow you along well then i'll rise up.

CHORUS:

And when the burning sun it falls in my eyes,

Is when i come upon another sunrise.

Well i will walk alone 'cause i'm not scared to die,

On a clearer day in the sunshine.

And when i hear the angels sing down from up above,

Well i won't fear a thing or hear the things i've done.

Only know that you're in a place inside my heart,

And no matter where i go, we will never part.

CHORUS:

And when the burning sun it falls in my eyes,

Is when i come upon another sunrise.

Well i will walk alone 'cause i'm not scared to die,

On a clearer day in the sunshine.
