I never said I'd prove it, I only said I'd show it I gave you my all, but you wanted more Lost on the inside, filling up the score.

I remember playing that one. It's stuck in my head. Over and Over. I took and you bled.

I never said I'd prove it, I only said I'd show it I gave you my all, but you wanted more Lost on the inside, filling up the score.

I am impatient. Misunderstood.
What ever it is, I've got what it cured.
To your arms I run. My own life, it crumbles.
No longer am I damned. No longer do I stumble.

I remember playing that one. It's stuck in my head. Over and Over. I took and you bled.
