Catch a wave and you're sitting on top of the world

Don't be afraid to try the greatest sport around  
Everybody tries it once  
Those who don't just have to put it down  
You paddle out turn around and raise  
And baby that's all there is to the coastline craze  
You gotta catch a wave and you're sittin' on top of the world

Not just a fad cause it's been going on so long  
All the surfers going strong  
They said it wouldn't last too long  
They'll eat their words with a fork and spoon  
And watch 'em they'll hit the road and all be surfin'  
soon  
And when they catch a wave they'll be sittin' on top of the world

Catch a wave and your sittin' on top of the world

So take a lesson from a top-notch surfer boy  
Every Saturday boy  
But don't treat it like a toy  
Just get away from the shady turf  
And baby go catch some rays on the sunny surf  
And when you catch a wave you'll be sittin on top of the world

Catch a wave and you'll be sittin' on top of the world  
Catch a wave and you'll be sittin' on top of the world  
Catch a wave and you'll be sittin' on top of the world
