Clearing skies and drying eyes  
Now I see your smile  
Darkness goes and softness shows  
A changing style

Just in time words that rhyme  
Well bless your soul  
Now I'll fill your hands  
With kisses and a Tootsie Roll

Oh reality, it's not for me  
And it makes me laugh  
Oh, fantasy world and Disney girls  
I'm coming back

Patti Page and summer days  
On old Cape Cod  
Happy times making wine  
In my garage  
Country shade and lemonade

Guess I'm slowing down  
It's a turned back world  
With a local girl  
In a smaller town

Open cars and clearer stars  
That's what I've lacked  
But fantasy world and Disney girls  
I'm coming back

Love...Hi Rick and Dave  
Hi Pop...Well good morning mom  
Love...get up guess what  
I'm in love with a girl I found  
She's really swell  
Cause she likes  
Church, bingo chances and old time dances

All my life I spent the night  
With dreams of you

And the warmth I missed  
And for the things I wished  
They're all coming true

I've got my love to give  
And a place to live  
Guess I'm gonna stay  
It'd be a peaceful life  
With a forever wife  
And a kid someday

It's earlier nights  
And pillow fights  
And your soft laugh  
Fantasy world and Disney girls  
I'm coming back
