The other night they were playing our song  
Hadn't heard it for oh so long  
Took me back darlin' to that time in my car  
When you cried all night cause we'd gone too far

Can I ever getcha back  
Getcha back baby  
Gonna getcha back getcha back  
Getcha back getcha back baby  
Gonna getcha back getcha back  
Can I ever getcha back

I'm getting tired laying around here at night  
Thinkin' 'bout some other guy holding you tight  
He may have money and a brand new car  
May even treat you like a movie star  
And no matter what he ever do for you  
He can never love you like I can do  
So if I leave her and you leave him

Can we ever get it back again  
Getcha back getcha back baby  
Gonna getcha back getcha back  
Getcha back getcha back baby  
Gonna getcha back getcha back  
Can I ever getcha back

Bow bow bow oop

Bow bow bow oop

(Getcha back) I'll leave her  
(Getcha back) and you leave him  
(Getcha back) can we make it  
(Getcha back) get it back again

(Getcha back) I'll leave her  
(Getcha back) and you leave him  
(Getcha back) can we make it  
(Getcha back) get it back again

(Getcha back) I'll leave her  
(Getcha back) and you leave him
