Cease to resist, come on say you love me
Give up your world, come on and be with me
I'm your kind, I'm your kind, and I see

Come on come on, ooo I love you pretty girl
My life is yours, and you can have my world
I'm your kind, I'm your kind, and I see

Never had a lesson I ever learned
I know I could never learn not to love you
Come in now closer
Come in closer closer closer ahhhh

Submission is a gift, give it to your lover
Love and understanding is for one another
I'm your kind, I'm your kind, and I see

Never had a lesson I ever learned
I know I could never learn not to love you
Come in now closer
Come in closer come in closer ahhhh

Ahhh-ahhh-ahhh-ahhh-ahhhhhh
Ahhh-ahhh-ahhh-ahhh-ahhhhhh
