Come on let's cruise ya got nothin' to lose  
So come on let's cruise ya got nothin' to lose  
So come on let's cruise ya got nothin' to lose  
So come on

Hey baby come on  
Come on let's cruise ya got nothin' to lose  
So come on let's cruise ya got nothin' to lose  
Baby come on

Now get yourself in gear  
Oh baby come on  
Still cruisin' after all of these years  
Hey girl let's go for a spin  
Hop in my hot rod and do it again

You've got a greenhouse effect on me  
I know a secret spot  
Paradise by the sea  
We'll find a place to park  
That's kinda cool after dark

We'll take a trip on up to the lake  
Down by the river  
Where we can make out  
On the island

Wake up on the cape  
Punch up yor favorite staion  
Toss in your favorite tape  
When we go cruisin'  
Well everything is all right

Come on let's cruise ya got nothin' to lose  
Baby when we go cruisin' now

Baby put your top down  
Parade around down town  
People trying to cool down  
Party all summer long

Come on let's cruise ya got nothin' to lose  
So come on let's cruise ya got nothin' to lose  
Baby come on

Now get yourself in gear  
Baby baby come on  
Still cruisin' after all of these years

Everybody got a favorite spot  
Where they like to come a lot

When we go cruisin' Well everything is all right

Come on let's cruise ya got nothin' to lose  
Baby when we go crusin' now

People dancin' in the sand  
Rockin' to a reggae band  
Lovers walkin' hand in hand  
Party all summer long

Come on let's cruise ya got nothin' to lose  
So come on let's cruise ya got nothin' to lose  
Baby come on

Now get yourself in gear  
Baby baby come on  
Still cruisin' after all of these years

Come on let's cruise ya got nothin' to lose  
So come on let's cruise ya got nothin' to lose  
Baby come on

Now get yourself in gear  
Baby baby come on  
Still cruisin' after all of these years

Come on let's cruise ya got nothin' to lose  
So come on let's cruise ya got nothin' to lose  
Baby come on

Now get yourself in gear  
Baby baby come on  
Still cruisin' after all of these years
