Ah ah ah ah oo ooo ooo oo ahh

The girls on the beach

On the beach you'll find them there

In the sun and salty air

The girls on the beach

Are all within reach

If you know what to do

How we love to lie around

Girls with tans of golden brown

The girls on the beach

Are all within reach

And one waits there for you

(Girls on the beach)

The sun in her hair

The warmth of the air

On a summer day

As the sun dips out of sight

Couples on the beach at night

The girls on the beach

Are all within reach

And with the boys tonight

(Girls on the beach)

Girls on the beach, girls on the beach

Girls on the beach, girls on the beach
