What good is the dawn  
That grows into day  
The sunset at night  
Or living this way

For I have the warmth of the sun  
(Warmth of the sun)  
Within me at night  
(Within me at night)

The love of my life  
She left me one day  
I cried when she said  
"I don't feel the same way"

Still I have the warmth of the sun  
(Warmth of the sun)  
Within me tonight  
(Within me tonight)

I'll dream of her arms  
And though they're not real  
Just like she's still there  
The way that I feel

My love's like the warmth of the sun  
(Warmth of the sun)  
It won't ever die  
(It won't ever die)
