A taste of honey  
Tasting much sweeter than wine

I dream of your first kiss  
And then I feel upon my lips again

A taste of honey  
Tasting much sweeter than wine

I will return, yes I will return  
I'll come back for the honey and you

Yours was the kiss that awoke my heart  
There lingers still, though we're far apart

That taste of honey  
Tasting much sweeter than wine

Oh I will return, yes I will return  
I'll come back (He'll come back)  
For the honey (For the honey)  
And you
