Anna

You come and ask me, girl
To set you free, girl
You say he loves you more than me
So I will set you free
Go with him
Go with him

Anna

Girl, before you go now
I want you to know, now
That I still love you so
But if he loves you more
Go with him

All of my life

I've been searching for a girl
To love me like I love you
Oh, now, but every girl I've ever had
Breaks my heart and leaves my sad
What am I, what am I supposed to do

Anna

Just one more thing, girl
You give back your ring to me, and I will set you free
Go with him

Anna

Just one more thing, girl
You give back your ring to me, and I will set you free
Go with him
