For I have got another girl,  
another girl

You're making me say that I've got nobody but you  
But as from today, well, I've got somebody that's new  
I ain't no fool and I don't take what I don't want

For I have got another girl,  
another girl

She's sweeter than all the girls and I met quite a few  
Nobody in all the world can do what she can do  
And so I'm telling you, "This time you'd better stop"

For I have got another girl,  
another girl

Who will love me till the end  
Through thick and thin  
She will always be my friend

I don't want to say that I've been unhappy with you  
But, as from today, well, I've seen somebody that's new  
I ain't no fool and I don't take what I don't want

For I have got another girl,  
another girl

Who will love me till the end  
Through thick and thin  
She will always be my friend

I don't want to say that I've been unhappy with you  
But, as from today, well, I've seen somebody that's new  
I ain't no fool and I don't take what I don't want

For I have got another girl,

another girl
