I love you,
'Cause you tell me things I want to know
And it's true
That it really only goes to show
That I know that
I, I, I, I
Should never, never, never be blue

Now you're mine,
My happiness still makes me cry
And in time,
You'll understand the reason why
If I cry,
It's not because I'm sad
But you're the only love that I've ever had

I can't believe it's happened to me
I can't conceive of any more misery

Ask me why,
I'll say I love you
And I'm always thinking of you

I love you, '
Cause you tell me things I want to know
And it's true
That it really only goes to show
That I know that
I, I, I, I
Should never, never, never be blue

Ask me why,
I'll say I love you
And I'm always thinking of you

I can't believe it's happened to me

I can't conceive of any more misery

Ask me why,

I'll say I love you

And I'm always thinking of you

You, you
