A bad little kid moved into my neighbourhood
He won't do nothing right just sitting down and looks so
good
He don't want to go to school and learn to read and
write
Just sits around the house and plays the rock and roll
music all night
Well, he puts thumb tacks on teachers chair
Puts chewin gum in little girl's hair
Now, junior, behave yourself

Buys every rock and roll book on the magazine stand
Every dime that he gets goes off to the jukebox man
Well he worries his teacher till at night she's ready to
poop
From rocking and a-rolling spinning in a hula hoop
Well this rock and roll has got to stop
Junior's head is hard as rock
Now, junior, behave yourself

Going tell your mama you better do what she said
Get to the barber shop and get that hair cut off your
head
Threw the canary and you fed it to the neighbours cat
You gave the cocker spaniel a bath in mother's
Laundromat
Well, mama's head has got to stop
Junior's head is hard as rock
Now, junior, behave yourself
