If you ever leave me, I'll be sad and blue  
Don't you ever leave me, I'm so in love with you

The birds in the sky would be sad and lonely  
If they knew that I lost my one and only  
They'd be sad if you're bad to me

The leaves on the trees would be softly sighin'  
If they heard from the breeze that you left me crying  
They'd be sad, don't be bad to me

But I know you won't leave me 'cos you told me so,  
And I've no intention of letting you go,  
Just as long as you let me know, you won't be bad to me

So the birds in the sky won't be sad and lonely,  
'Cos they know I got my one and only  
They'd be glad that you're not bad to me  
They'd be glad that you're not bad to me,  
To me, to me
