Besame, besame mucho,
Each time I bring you a kiss
I hear music divine.
So besame, besame mucho,
I love you forever
Say that you'll always be mine.

REF:

Dearest one, if you should leave me
Then each little dream will take wings
And my life would be through.
So besame, besame mucho,
I love you forever,
Make all my dreams come true.

Oh this joy is something new,
My arms are holding you,
I never knew this thrill before.
Who ever thought I'd be
Holding you close to me
Whispering it's you I adore.

So

Ref.

Oh this joy is something new,
My arms are holding you,
I never knew this thrill before.
Who ever thought I'd be
Holding you close to me
Whispering it's you I adore.

So dearest one, if you should leave me,
Each little dream will take wings
And my life would be through.
So besame, besame mucho,

Love me forever,
Make all my dreams come true. (x3)
