There's a fog upon L.A.
And my friends have lost their way
"We'll be over soon", they said
Now they've lost themselves instead

Please don't be long
Please don't you be very long
Please don't be long
For I may be asleep

Well, it only goes to show
And I told them where to go
Ask a policeman on the street
There's so many there to meet

Please don't be long [don't be long]
Please don't you be very long [don't be long]
Please don't be long
For I may be asleep

Now, it's past my bed, I know [know]
And I'd really like to go [go]
Soon will be the break of day [day]
Sitting here in Blue Jay Way [Way]

Please don't be long [don't be long]
Please don't you be very long [don't be long]
Please don't be long
For I may be asleep

Please don't be long
Please don't you be very long
Please don't be long

Please don't be long
Please don't you be very long

Please don't be long

Please don't be long
Please don't you be very long
Please don't be long

Don't be long
Don't be long
Don't be long
Don't be long

Don't be long
Don't be long
Don't be long
