Come on, come on, come on, come on, come on is
such a joy, come on is such a
joy
Come on and take it easy, come on and take it easy,
take it easy, take it easy
Everybody's got something to hide, except for me and
my monkey
Hah, the deeper you go, the higher you fly, the higher
you fly, the deeper you
go
So come on, come on, come on is such a joy, come on
is such a joy
Come on and make it easy, come on and make it easy,
take it easy, take it easy
Everybody's got something to hide, except for me and
my monkey
Your inside is out, and your outside is in
Your outside is in, and you inside is out
So come on, ha, come on, ha, come on is such a joy
Come on is such a joy, come on and make it easy,
come on and make it easy
Take it easy, take it easy
Everybody's got something to hide except for me and
my monkey
Come on, come on, come on, come on
