Once there was a way, to get back homeward,  
Once there was a way, to get back home  
Sleep pretty darling do not cry, and I will sing a lullaby  
Golden slumbers fill your eyes, smiles awake you when  
you rise  
Sleep pretty darling do not cry, and I will sing a lullaby  
Once there was a way, to get back homeward,  
Once there was a way, to get back home  
Sleep pretty darling do not cry, and I will sing a lullaby  
Boy you're gonna carry that weight, carry that weight  
for a long time  
Boy you're gonna carry that weight, carry that weight  
for a long time  
I never give you my pillow, I only send you my  
invitations  
And in the middle of the celebrations, I break down  
Boy you're gonna carry that weight, carry that weight  
for a long time  
Boy you're gonna carry that weight, carry that weight  
for a long time  
Oh yeah, all right, are you gonna be in my dreams  
tonight?  
Love you, love you, love you, love you, love you, love  
you, love you,  
Love you, love you, love you, love you, love you, love  
you, love you,  
Love you, love you, love you, love you, love you, love  
you, love you,  
Love you, love you, love you  
And in the end, the love you take, is equal to the love,  
you make, Ah
