If I fell in love with you  
Would you promise to be true  
And help me understand  
Cos I've been in love before  
And I found that love was more  
Than just holding hands

If I give my heart to you  
I must be sure  
From the very start  
That you would love me more than her

If I trust in you oh please  
Don't run and hide  
If I love you too oh please  
Don't hurt my pride like her  
Cos I couldn't stand the pain  
And I would be sad if our new love was in vain

So I hope you see that I  
Would love to love you  
And that she will cry  
When she learns we are two  
Cos I couldn't stand the pain  
And I would be sad if our new love was in vain

So I hope you see that I  
Would love to love you  
And that she will cry  
When she learns we are two  
If I fell in love with you
