When I wake up early in the morning
Left my heart I'm still yawning
When I'm in the midll of a dream
Stay in bed Float upstream float upstream

Please don't wake me
No don't shake me
Leave me where I am
I'm only sleeping

Everybody seems to think I'm lazy
I don't mind I think they're crazy
Running everywhere at such a speed
All they find there's no need
Please don't spoil my day
I'm miles away and after all
I'm only sleeping...

Keeping an eye on the world going by my window
Taking my time

Lying there and staring at the ceiling
Waiting for a sleepy feeling
Please don't spoil my day
I'm miles away and after all
I'm only sleeping
