Brian Matthew: "The Beatles with Paul McCartney, paying tribute to the Everleys with 'Lucille'."

Ah, Lucille, baby do your sister's will  
Ah, Lucille, baby do your sister's will  
Well, you ran off and married, but I love you still

Ah, Lucille, baby, satisfy my soul  
Ah, Lucille, baby, satisfy my soul  
Well, you know I love you, baby, I'll never let you go

Well, I woke up this morning  
Lucille was not in sight  
I asked my friends about it  
But all their lips were tight

Lucille, please come back where you belong  
Well I'm talking to you, baby, I'll never do you wrong

Well, Lucille, baby, do your sister's will  
Ooh, Lucille, yeah baby, do your sister's will  
Well, you ran off and married, but I love you still
