I don't care if I spent my dough
Tonight I'm gonna be one happy soul.

Gonna rock it up,
(Yeah) Gonna shake (ball) it up,
We're gonna roll it up.
Oh, at the ball tonight.

Ah Ho!

Rattle and roll,
I said, shake, rattle and roll,
You never done nothing
To save your doggone soul.

Well, get out of that kitchen
And (rattle) shake those pots and pans,
Well, get out of that kitchen
And (rattle) shake those pots and pans,
I said to my soul.
You're the devil in a frying pan.

Well, I said, shake, rattle and roll,
I said, shake, rattle and roll,
I said, shake, rattle and roll,
I said, shake, rattle and roll,
Well, you never done nothing
To save your doggone soul.

You can knock me down, step on my face,
Slander my name all over the place,
Do the things that you wanna do,
But ah-hah, honey, lay off of them shoes.
But don't you step on my blue suede shoes,
Well, you can do anything but lay off of them
Blue suede shoes.

Ah, go!

You can burn my house, steal my car,
Drink my liquor from an old fruit jar.

Do anything that you want to do,
But ah-hah, honey, lay off of them shoes.

And don't you step on my blue suede shoes, please!
Well, you can do anything but lay off of them
Blue suede shoes.
Ah, go blue cat! (ah, hit it, George!)

Yeah!
Ah, blue cat, go!

Well, its, blue, blue, blue suede shoes, yeah,
Blue, blue, blue suede shoes, babe,
Blue, blue, blue suede shoes, yeah,

Brown, brown, brown suede boots, yeah,
You can do anything but lay off of them
Blue suede shoes.
