... bottle of claret for you if I'd realised. I'd forgotten all about it, George, I'm sorry.

Well, do next time.

Will you forgive me?

Mmmm...yes...

Cheeky bitch.

Number nine, number nine, number nine, number nine

Number nine, number nine, number nine, number nine

Number nine, number nine, number nine, number nine

Number nine, number nine, number...

...Then there's this Welsh Rarebit wearing some brown underpants

...About the storriage of grain in Hertfordshire

Everyone of them knew that as time went by they'd

Get a little bit older and a little bit slower but...

It's all the same thing, in this case manufactured by

Someone who's always umpteen (...)

Your father's giving it diddly-i-dee district was

leaving...

Intended to die (...) Ottoman...

(...)...Long gone through...(...)

I've got to say irritably and...

(...) Floors, hard enough to put on (...) Per day's md in our district

There was not really enough light to get down,

And ultimately (...) Slumped down

Suddenly...

They may stop the funding...

Place your bets

The original

Afraid she'll die (...)

Great colours for the season

Number nine, number nine

Who's to know?

Who was to know?

Number nine, number nine, number nine, number nine

Number nine, number nine, number nine, number nine

Number nine, number nine, number nine, number nine

I sustained nothing worse than (...)

Also, for example

Whatever you're doing

A business deal falls through
I informed him on the third night, when fortune gives...
Be alright, be alright
Right, right, right, right
Right
Number nine, number nine, number nine, number nine
Ri-i-i-i-ight
Ri-i-i-i-i-i-i-ight
Number nine, number nine, number nine, number nine
(...) I've missed all of that
It makes me a few day's late
Compared with, like, wow!
And wierd stuff like that...
(...) Taking our sides sometimes
(...) Floral bark
Rouge doctors have brought this specimen
I have nobody's short-cuts, aha...
Nine, number nine
(...) With the situation
They are standing still
The plan, the telegram...
(Hubbbbba, hubbbbba, hubbbbbba, hubbbbba,
hubbbbba
Number nine, number Hubbba)
A man without terrors from beard to false
As the headmaster reported to my son
He really can try, as they do, to find function...
Tell what he was saying, and his voice was low and his
hive high,
And his eyes were low...
Alright!
It was on fire and his glasses were the same
This thing know if it was tinted,
But you know it isn't
To me it is...
Number nine, number nine, number nine, number nine
Number nine, number nine, number nine, number nine
Number nine, number nine, number nine
So the wife called me and we'd better go to see a
surgeon
to price it (...) Yellow underclothes
So, any road, we went to see a dentist instead
That gave her a pair of teeth which wasn't any good at
all
So I said I'd marry, join the fucking navy and went to
sea
Block that kick, block that kick
In my broken chair, my wings are broken and so is my
hair
I'm not in the mood for whirling
How?

Dogs for dogging, hands for clapping
Bird's for birding, and fish for fishing
Them for themming and when for whemming
...Only to find the night-watchman
Unaware of his presence in the building
Number nine, number nine, number nine, number nine
Number nine, number nine
Industry allows financial imbalance
Thrusting it bewteen his shoulder blades
The watusi, the twist
Eldorado
Take this, brother, may it serve you well
Maybe it's nothing
What, what oh...
Maybe, even then, impervious in London
...Could be difficult thing...
It's quick like rush for peace because it's so much
Like being naked
It's alright, it's alright, it's alright, it's alright
It's alright, it's alright, it's alright, it's alright
It's alright
If, you've become naked
Block that kick, block that kick, block that kick, block
that kick
Block that kick, block that kick, block that kick, block
that kick
Block that kick, block that kick, block that kick, block
that kick
Block that kick, block that kick, block that kick, block
that nixon
