Oh  
Some other guy, now  
Is taking my love away from me, oh, now  
Some other guy, now  
Is taking away my sweet desire, oh, now  
Some other guy, now  
Just threw water, hold my hand, oh, now  
I'm the lonely one, as lonely as I can feel, all right

Some other guy  
Is sipping up the honey like a yellow dog, oh, now  
Some other guy, now  
Has taken my love just like I'm gone, oh, now  
Some other guy, now  
Has taken my love away from me, oh, now  
I'm the lonely one, as lonely as I can feel, all right

Oh, oh  
Oh, yeah

Some other guy  
Is making me very, very mad, oh, now  
Some other guy, now  
Is breaking my padlock off my pad, oh, now  
Some other guy, now  
She was the first best girl I ever had, oh, now  
I'm the lonely one, as lonely as I can feel, all right

Oh  
I'm a-talking to you, right now  
Hey  
Yeah
