We said our goodbyes  
On the night before  
Love was in your eyes  
On the night before  
Now today I find  
You have changed your mind  
Treat me like you did the night before

Were you telling lies  
On the night before?  
Was I so unwise  
On the night before?  
When I held you near  
You were so sincere  
Treat me like you did the night before

Last night is a night I will remember you by  
When I think of things we did  
It makes me wanna cry

We said our goodbye  
On the night before  
Love was in your eyes  
On the night before  
Now today I find  
You have changed your mind  
Treat me like you did the night before

When I held you near  
You were so sincere  
Treat me like you did the night before

Last night is a night I will remember you by  
When I think of things we did  
It makes me wanna cry

Were you telling lies  
On the night before?  
Was I so unwise  
On the night before?

When I held you near  
You were so sincere  
Treat me like you did the night before

Like the night before
