Well I'm the Sheik of Araby
Your love belongs to me

Well at nights when you're asleep
Into your tent I creep

a-ha

The stars that shine above
will light our way to love

You rule this world with me
I'm the Sheik of Araby

Well I'm the Sheik of Araby
Your love belongs to me

Oh, at nights when you're asleep
Into your tent I creep

a-ha

The stars that shine above
will light our way to love

You rule this world with me
I'm the Sheik of Araby
well, I'm the Sheik of Araby
well, I'm the Sheik of Araby yea
