(LennonMcCartney) Turn off your mind, relax and float  
down stream It is not dying, it is not dying Lay down all  
thoughts, surrender to the void It is shining, it is  
shining Yet you may see the meaning of within It is  
being, it is being Love is all and love is everyone It is  
knowing, it is knowing And ignorance and hate mourn  
the dead It is believing, it is believing But listen to the  
colour of your dreams It is not leaving, it is not leaving  
So play the game "Existence" to the end Of the  
beginning, of the beginning Of the beginning, of the  
beginning Of the beginning, of the beginning Of the  
beginning, of the beginning
