Look what you're doing, I'm feeling blue and lonely
Would it be too much to ask you
What you're doing to me?

You got me running and there's no fun in it
Why should it be so much to ask of you
What you're doing to me?

I've been waiting here for you
Wond'ring what you're gonna do
Should you need a love that's true
It's me

Please stop your lying, you've got me crying, girl
Why should it be so much to ask of you
What you're doing to me?

I've been waiting here for you
Wond'ring what you're gonna do
Should you need a love that's true
It's me

Please stop your lying, you've got me crying, girl
Why should it be so much to ask of you
What you're doing to me?
What you're doing to me?
What you're doing to me?
