She looks as an African queen,
She eating twelve chapattis and cream,
She taste as Mongolian lamb,
She coming from Aldebaran
What a shame Mary Jane had a pain at the party
What a shame Mary Jane
What a shame Mary Jane had a pain at the party
She like to be married with Yeti,
He grooving such cooky spaghetti,
She jumping as Mexican bean,
To make that her body more thin
What a shame Mary Jane had a pain at the party
What a shame Mary Jane

She catch Patagonian pancakes
With that one and gin party makes
She having all the ways good contacts,
She making with apple an(d) contract
