"Within You Without You"

We were talking-about the space between us all
And the people who hide themselves behind a wall
of illusion
Never glimpse the truth-then it's far too late-when they pass away.

We were talking about the love
we all could share when we find it
To try our best to hold it there-with our love
With our love
we could save the world if they only knew.

Try to realize it's all within yourself
No-one else can make you change
And to see you're really only very small,
And life flows ON within you and without you_____

We were talking-about the love
that's gone so cold and the people,
Who gain the world and lose their soul....
They don't know they can't see-are you one of them?
When you've seen beyond yourself-then you may find, peace of mind,
Is waiting there....

And the time will come when you see
we're all one, and life flows on within you and without you.
