[Oo-oo-oo-oo]

Let's all get up and dance to a song  
That was a hit before your mother was born  
Though she was born a long, long time ago  
Your mother should know [your mother should]  
Your mother should know [know]

Sing it again

Let's all get up and dance to a song  
That was a hit before your mother was born  
Though she was born a long, long time ago  
Your mother should know [your mother should]  
Your mother should know [kno-ow]

Lift up your hearts and sing me a song  
That was a hit before your mother was born  
Though she was born a long, long time ago  
Your mother should know [your mother should]  
Your mother should know [kno-ow]  
Your mother should know [your mother should]  
Your mother should know [kno-ow]

Sing it again

Daa-da da-daa da-daa-daa-da-da  
Da-daa-da daa da-daa daa daa-da-da-daa  
Though she was born a long, long time ago  
Your mother should know [your mother should]  
Your mother should know [yeah]  
Your mother should know [your mother should]  
Your mother should know [yeah]  
Your mother should know [your mother should]  
Your mother should know [yeah].
