Anata ga maiyo furuete shimau hodo
Yoru wa sonna ni tsuraku kanashii no?
Nomi komarete ai aru yume ni
Nido to dete korenai youna ki ni naru no?

Sore ja marude tsui konai da made no atashi mitai
Dakara tsuite oide

Shizuka ni damatte iki o tomete konna ni
Subarashiku yoru wa kagayaku no yo anata no
Ryoute de hakaru mirai o

Shiranai koto o osoretari shinaide
Atarashii kiseki ni namida o nagasou
Anata no miken no oku ni nagareru tsumetai
Mizu ni atashi no netsu o umaku mazeyou

Ushiro mukeba kako wa temaneku deshou
Dakedo atashi wa ima no anata to itai

Onegai kizuite kurayami kara mitsukete
Anata dake ni kawaru futari dake no sekai o
Futari dake no shirushi o

Shizuka ni damatte iki o tomete konna ni
Subarashiku yoru wa kagayaku no yo anata no
Ryoute de hakaru mirai o
