Another fucking casualty, a pharmaceutical zombie
Another fucked up friend of mine just out looking for a
good time
You stutter when I ask you why
Man I'm your friend, you got no need to hide
Well you just have a grand old time, give my regards to
the white lines

I ain't nobody's Mama and I ain't no teetotaler
But boy you're looking pretty strange
You better watch you life, cause you already lost your
brain

I still enjoy your company, but it ain't the same as it
used to be
Well it was there and it was free, but there was
something that you didn't see
Man you're an A-Double-D-I-C-T, and that ain't the way
that it's gotta be
Just come up here and hang with me, we'll drink some
beers and smoke a joint or three

I ain't nobody's Mama and I ain't no teetotaler
But boy you're looking pretty strange
You better watch you life, cause you already lost your
brain

Another fucking casualty
Another fucking casualty
Another fucking casualty, a god damn tragedy
Another fucking casualty
Another fucking casualty
Another fucking casualty, it ain't funny anymore
