We don't need no stinking fangs!  
Don't provoke us, there's no surer thing.  
We've been dropping hints like you don't know.  
There's a war 'bout ready to blow.

This is a warning to the world  
Listen up all you boys and girls  
There will be destruction like you've never known.  
Blood will be spilled by the first new snow.

We don't need no stinking fangs!  
I've got fresh blood running through my veins.  
I've got this strength that I never knew.  
I'm ready to fight, now how about you?

This is a warning to the world.  
Listen up all you boys and girls  
There will be destruction like you've never seen  
We will leave our tracks fresh and clean.

Cause we don't need no stinking fangs.
