Come on, little angel
Won't you dance with me

Come on, come on
Come on, come on
Well, at the last hop
It was plain to see

We did the Mashed Potato
And it sure was fun
Now everybody wants to see
The way it's been done now

Come on, little angel
Hear the band playing loud
Take a look around
You'll see them forming a crowd

And now, little angel
Now that you're in the groove
You hear them all a-clapping
As we both start to move

Come on, come on
Little angel, come on
Come on, little angel, come on
Come on, little angel, come on
Yeah, come on now

Come on, little angel
Now the lights are down low
It's really getting late
And now we have to go

Thank you, little angel
For that wonderful kiss
And now you're gonna tell me
That you're doing the Twist

Yeah, around and around
And up and down
Around and around

Come on, little angel

Now twist, little angel
Now twist, whoa, twist
Twist, twist, twist, yeah

Little angel sure is fine
Every she dances
She's right on time

She move to the left
She move to the right
She feels that beat and
She dances all the night

Why don't you come on, little angel
Now the lights are down low
It's really getting late
And now we have to go

Thank you, little angel
For that wonderful kiss
And now you're gonna tell me
That you're doing the Twist

Well, come on, little angel
Now twist, yeah now
Come on, little angel
Now twist, yeah now
Come on, little angel
Now twist, whoa

Little angel sure is fine
Every she dances
She's right on time

She move to the left
And she move to the right
She feels that beat and
She dances all the night

Why don't you come on, little angel
Now the lights are down low
It's really getting late
And now we have to go

Thank you, little angel
For that wonderful kiss
And now you're gonna tell me
That you're doing the Twist

Yeah, come on, little angel
Now twist, whoa, come on
Little angel, now twist
Yeah, come on, come on
Come on, come on, now angel
