Tell my why
Why the stars in the sky
Are the same kind of stars
That I see in your eyes
I love you, yes, I do
Oh, won't you tell me why

Tell my why
Tell me why, tell me why
Why my heart skips a beat
Every time that you're near
Every time that we meet

I love you, yes, I do
Oh, won't you tell me why
Tell me why

Tell me why, I love you so
You know my heart
Will never let you go

You know my love for you
Is on the square
When I wake up in the morning
I find you right there

Tell me why, tell me
Why my heart skips a beat
Every time that you're near
Every time that we meet

I love you, yes, I do
Oh, won't you tell me why
Tell me why

Tell me why, I love you so
You know my heart
Will never let you go

You know my love for you
Is on the square
When I wake up in the morning

I want you right there

Tell me why, tell me
Why my heart skips a beat
Every time that you're near
Every time that we meet

I love you, yes, I do
Oh, won't you tell me why
Tell me why
