Today's the day for a little ride, in the countryside,  
Let's go now,  
Blue skies and sunshine, for everyone and anyone,  
We'll show them how

Today's the day for letting by and chilling out  
You're busy doing nothing all day long oh yeah,  
And now you're smiling, don't ever let the feeling go  
La la la la-la-la la la la la, la la la, Today's the day  
La la la la-la-la la la la la, la la la, Today's the day

Today's the day for sitting back and losing track,  
Why don't you?  
Nothing to wait for we'll send away, far away  
For something new

Today's the day for letting low and letting go,  
Forgetting all your worries, all day long, oh yeah  
And now you're smiling, don't ever let the feeling go  
La la la la-la-la la la la la, la la la, Today's the day  
La la la la-la-la la la la la, la la la, Today's the day

(la la la...) Trying to get away, a little holiday,  
(la la la...) Trying to let off steam, and dream a little  
dream  
(la la la...) From Sunday, to Monday, is one way

Today's the daaaaaaaay

Today's the day for letting by and chilling out  
You're busy doing nothing, all day long oh yeah,  
And now you're smiling, don't ever let the feeling go  
La la la la-la-la la la la la, la la la, Today's the day  
La la la la-la-la la la la la, la la la, Today's the day

(la la la...) Trying to get away, a little holiday,  
(la la la...) Trying to let off steam, and dream a little  
dream  
(la la la...) From Sunday, to Monday, is one way,

Todaaaaaaay's the day
