Can someone out there please tell me,
Why decisions aren't as easy as they seem?
If I've been on the top,
You know I've been on the bottom one more time.
But what will it take to start to make me see?
I figured it out,
Just what it is that makes me feel this way.
Now I know,
That the problem is that you don't feel the same.
Days they come,
And days they go,
And then there's days I'll never know,
Just why I never stopped to think it through.
And one step less is one day more that I'll just end up
waiting for,
When all I'm really waiting for is you.
For all I've said and all I've seen,
I can't believe I lost my dream.
So if this is a sign I guess I better speak up,
Will someone just listen to me?
I feel left out,
But what will it take to start to make me see?
I figured it out,
Just what it is that makes me feel this way.
Now I know,
That the problem is that you don't feel the same.
Days they come,
And days they go,
And then there's days I'll never know,
Just why I never stopped to think it through.
And one step less is one day more that I'll just end up
waiting for,
When all I'm really waiting for is you.
And I'll wait to see a turning point in you.
And I'll wait, I'm waiting for the day to see it through.
And days they come,
And days they go,
And then there's days I'll never know,
Just why I never stopped to think it through.
And one step less is one day more that I'll just end up
waiting for,

When all I'm really waiting for is you.
I figured out,
But now I know,
Can someone out there please tell me,
Why decisions aren't as easy as they seem?
