Definition Of a Lady

Bada dada dum~Bada dada dum

Bada dada dum~Bada dada dum

Bada dada dum~Bada dada dum

Bada dada dum~ da dum~da dum

Sometimes she dresses like a baby doll in dots and lace

Seen all clean and shiny, glossy lips on her face

She's a curly girl (ahh)

With a tiny little waist

Sewed the bows to her heels and the garments to her taste

Scan the place...

Lounging' on the chaise

Is a lovely little lady in a long necklace

That wraps around

'Fore it hit's the ground

A nifty, thrifty find in a thrift shop that she found

Turn around

Check these ladies up and down

Black French tips with sparkles on her gown

She's a pretty clown

From her head to her toes

In a polka dotted tu-tu and a red afro

U know when u see 1

I am

So be 1

A Lady- a Lady

From New York to LA

From LA to NY

An L-A-D-Y

U know when u see 1

I am

So be 1

A Lady- a Lady

From New York to LA

From LA to NY

An L-A-D-Y

Mama Mia

Have you seen the Ballerina

In the rouge point shoes steppin' outside of the Beamer

She's not "meena"
But she's not nice neither
Got the spice and sugar blood
The Bloody Mary's gives her fever
She's the Diva
Doling out the hugs
In her long waist coat and her arm length gloves
Give her love
The turtledoves a "Ladybug"
A Queen Bee not a beggar
Reigns the Alpha - The Omega
She maintains
Sippin' from the vine
Eatin' strawberries just to pass the time
Pass the wine
Toast the host with fine glasses
Oh she never acts too crass
Even when she's smackin (bleeep)
She's all class
From the top to the bottom
Dressed to the "T"
Baby - flaunt em if you got em
Ya gotta-ya gotta-ya gotta
Flaunt it if you got it
U know when u see 1
I am
So be 1
A Lady- a Lady
From New York to LA
From LA to NY
An L-A-D-Y
U know when u see 1
I am
So be 1
A Lady- a Lady
From New York to LA
From LA to NY
An L-A-D-Y
Lady---Lady---
La-ha-deeee---eee
Eee
Much Respect
To the girl who takes a chance
In her 4 inch heels dancing on top of the amps
She's a vamp
No the lady's not a tramp
She's a pro
She's a winner
She's a saint
She's a sinner
She's the Queen of the quintessential

Even when she's stripped down to the bare essentials
Not to mention
She's got all the dimensions
She's a "Mommy", she's a "Hottie"
Who the life of the party?
She's alright
The girl can dance all night
Turn the dark into light
Fix the world up right
She's a sight
And a psychedelic dream
If your with me baby girls let me hear you scream
U know when u see 1
I am
So be 1
A Lady- a Lady
From New York to LA
From LA to NY
An L-A-D-Y
U know when u see 1
I am
So be 1
A Lady- a Lady
From New York to LA
From LA to NY
An L-A-D-Y
