Everyone asks  
Well everyone calls and asks  
Am I over you yet?  
And I tell them yes  
It's been almost a year  
It'll be a year this November  
And life is so strange, yeah  
Life can be so unbearable

Why do I always  
Call your name  
If it doesn't stop  
I'll go insane  
I just know

I still have our dog  
I just tell him you're  
Gone for awhile  
And nothing has changed  
I still have our  
Same old place  
And I can't stop my mind  
From wondering why  
Is it something I did  
Is it something that  
I deserve

Why do I always call your name?

Well I've never thought  
Of life without you  
And I'm not gunna start  
I never thought  
I'd be without you

I can still see your face  
I remember  
The way you move  
And it's just not fair  
I'm just so lost  
Without you

I still miss you so  
I can't let you go  
What kind of god is this  
To take someone like you  
From me

Why do I always call your name?

Why do I always call?
