Snowman Angels Ribbon's bow's
Dreams of coco and missal tow
Seems like years since I've been home
Cant bare to spend another Christmas alone
Packed my bags I'm on my way
Heading home for the holidays
Crowded airports flights delayed should've hitched a
ride on Santa's sleigh

Cant wait to see their faces told 'em I couldn't make it
But I'm gonna be there soon

Twinkle lights and caroling candy cane shaped sugar
cookies
I'm coming home for Christmas
I'm coming home for Christmas
Friends and family trim the tree don't put the star on
top without me
Cause I'm coming home for Christmas
I'm coming home it's Christmas time

Bundled up like an Eskimo sitting in the snow
This little town is all the glow while Jingle Bells is on the
radio
Just a block away from memory lane
Snowflakes frosting window's
Neighbors waving happy holiday's while I slip and slide
Up the icy walkway

Cant wait to see their faces ring the bell my heart is
racing
Don't even know their gonna see me soon
Standing in the doorway

Twinkle lights and caroling candy cane shaped sugar
cookies
I'm coming home for Christmas
I'm coming home for Christmas
Friends and family trim the tree don't put the star on
top without me
Cause I'm coming home for Christmas
I'm coming home it's Christmas time

Yeah, Yeah
The door swings open Merry Christmas
They cover me with hugs and kisses
The little ones say a Christmas wish came true and
mine did too
Yeah, Yeah, Yeah
I'm finally home for Christmas

Friends and family trim the tree lets put the star on and
hang the stockings
I'm finally home for Christmas
Cant believe I'm home for Christmas time
I'm finally home for Christmas time
