Well look at you
You're walking on down the street
And you are finally free
But you're crying
And look at me
Well I got what I wanted
I am free now
Not drowning

But something feels wrong
Something's just terribly wrong
I feel horrible
I got what I wanted though

I can go golfing now
Whenever I want
I can talk to girls
But I probably won't
And you can stay with your friends
Tell them what an asshole I am
They already believe that
And now I deserve it

'Cause something feels wrong
Something's just terribly wrong
I feel horrible
I got what I wanted though

And a house is not a home
Even with a view
And hardwood floors
And all that talking
And that not talking
Well a house is not a home
When 2 aren't 2 they're 1 and 1
1 and 1 is nothing

You called to say
You wanna come and get your stuff
You just wanna make sure
That I am not here

Well I can't believe
I can't believe you're being so strong
'Cause it feels like if I
Start crying I'll die

Something's just wrong?

Years from now
Maybe outside a movie
You'll be with somebody new
I'll be with somebody too
And we'll just say hello
