I don't know just what you came here looking for  
Did you really think we'd let you back in  
Better keep on walking boy, this house is not your  
candy store  
Don't you know your game is wearing thin

I remember how we used to be  
No one warned me 'bout you and your history  
Now you're watching my sister getting older  
But I already told her what you did to me

STOP! Stay away from my sister.  
STOP! She's too good for you mister  
STOP! You're on probation, she knows all about your  
reputation.  
STOP! Saying you can't resist her.  
STOP! You'll never get with my sister.  
STOP! Couldn't play with me baby

Now don't climb down my family tree.  
Think you got a body too hot to ignore  
Pullin' up in ya ride like some millionaire  
You better stop beggin' boy my mom won't let you go  
through the door.  
Cause ya know this ain't no family affair.

Do you remember when I said goodbye  
You couldn't even look me in the eye  
Now ya think you're gonna have some fun  
But she's way too young - so don't even try.

STOP! Stay away from my sister.  
STOP! She's too good for you mister  
STOP! You're on probation, she knows all about your  
reputation.  
STOP! Saying you can't resist her.  
STOP! You'll never get with my sister.  
STOP! Couldn't play with me baby

I told you once  
Don't come around here no more  
We told you twice

Don't come around here no more  
Our eyes are open wide  
Request denied  
Don't come around here no more (no more)  
Don't come around here no more (no more)  
Gotta go - Get out  
We know what you're all about.
