They say it's me  
That makes you do things  
You might not have done  
If I was away  
And that's it's me  
That likes to talk to you  
And watches you  
As you walk away  
Don't say it's useless  
Don't say forget it  
Don't bring me wishes  
Of silly dreams  
Just say it's all  
From too much freedom  
Too many fingers  
And to anything

They say it's you  
who watches the wind  
And brings the night into the day  
If you won't notice  
How can I show you  
All of you worries  
Have all gone away

Don't leave me lonely  
Don't leave me unhappy  
Just bring me up into your fate  
If you don't need me  
Then don't deceive me  
Letting my freedom turn into stone

Just be my angel  
If you love me  
Be my angel  
In the night  
Be my angel  
Cause you need me  
Be my angel  
And treat me right

Don't say you love me  
If you don't need me  
Don't send me roses  
On your behalf  
Just take me down  
And walk through your river  
Down the middle  
And make it last

Holding on to you  
Holding on to me  
Holding on tight  
Til my love is crossed  
Don't say it's useless  
And don't say forget it  
You are my spirit  
Now you are gone
