Simple things like your overcoat
And your beauty
That still are burnin' me
Let me hang around
Even if it's just some way
To have some common burn
A common burn

So I spent the night in someone's house
That you ...
Oh simple me that you fled
But we haven't a clue

That common burn
That common burn

Aware of ...
I've seen yours
So many times before
You could sit around
And have everything that you score
Just don't come home and say
You've been asleep
When you know you're burnin' someone

That common burn
That common burn
You know we have
