

Mazzy Star "Disappear"

Visit "[Disappear](#)" on MotoLyrics.com

Just because
You call my name
I cannot hear
It's not the same
You close your eyes
And knock me back
All the things that I had to have

And now you choose the thorny cave
I can't believe what I had to say
All the things you never say
I'll never be what you want me to be
Now I can't disappear

Close your eyes and look at me
I can't believe what I cannot see
Everything is like you say
Change your mind and you'll have to forgive

And I can't disappear
Now I can't
Now I can't
